

Let's talk about people with disabilities

Come to a talk about what the Government said about the Disability Royal Commission.

The talk is on Tuesday August 27 from 7pm to 8.30 AEST on Zoom.

The **Disability Dialogue** is having this talk.

The **Disability Dialogue** is a group of people with disabilities and others who talk about things they care about and want to make better.

The **Disability Royal Commission (DRC)** was about how people with disabilities are treated badly in Australia.

The DRC made a report to tell the Government how to make Australia better for people with disabilities.

The Government responded to that report.

A lot of people with disabilities and their supporters were disappointed with what the Government said.

Come to our talk to tell us how you feel about this.
